3270 7th Ave
Marion, IA 52302
(1:30PM to ???)

Prizes Courtesy of:

Please join us on March 31st as we burn out of winter and launch into Summer! Weather permitting, we are encouraging people to drive their specialty cars or daily cruisers and join us on this year's garage tour, featuring 5 great locations! As in previous years, please **DO NOT jump ahead**, as our hosts are expecting us to arrive as a group.

Our cruise begins with a tour of Classic Enterprises' showroom of ever changing inventory (available for purchase). We will be departing at 9:00 AM to visit Eddie's Rod & Custom (behind Mickey Collision) to see their shop and High-End Restorations.

Following our stop at Eddie's, we will be heading north to see John Saathoff's HUGE collection of Cars, Toys, Motorcycles and Racecars. Mr. Saathoff no longer owns the adjacent property, so please **DO NOT** park on the grass. Please park on Hagerman Road and walk the driveway to his shop. (Please save the driveways space for individuals with disabilities.)

Our next stop has not been confirmed and details will follow. Our last stop of the day will be Marion Tire Company to see Troy and his family's very impressive collection of cars.

WE CANNOT ARRIVE TO MARION TIRE COMPANY BEFORE 1:00PM, but it will be worth the wait as they will be catering food courtesy of the Marion Hy Vee. Prizes will be given away courtesy of NAPA Auto Parts!
