January 2020 Newsletter

Cedar Rapids Corvette Club

From the desk of the CRCC President Dennis Primrose

I hope everyone had a Merry Christmas and a Happy New Year.

Now that it is January and all we can do is go out in the garage and look at the corvette all covered up it is a good time to get out the corvette catalogs and look for the perfect accessory. After all it is more fun to have something different than other people or try something new.

As we start planning new adventures for 2020 I hope that all our members help out with planning new things.

May all our members going south for the winter have a safe trip and that they stay inside so they don't get sunburn as it is bad for your skin. (You can thank me later for this public service announcement.)
